By signing above, you authorize Chino Federal Credit Union to extend your loan maturity date. Interest will continue to accrue on your loan during the month you skip your payment. This may cause your next loan payment to be applied entirely to the interest accrued during this period. A \$50.00 per loan processing fee will be automatically deducted from the account indicated above. **You understand and agree that your request for skipping a payment will not be granted if the fee is unavailable, your loan becomes delinquent, your loan meets the exclusion criteria or if the coupon is not complete.** This skip-a-payment program will only be available from December 1, 2011 thru January 31, 2012.
